Recently advertised in Professional Builder Magazine

The **OX Pro Series** level is **the toughest ever produced**. Unrivalled for strength, endurance and patented features, **there is nothing like it on the market**.

In house testing has proved the level to be two to five times **stronger than it's competitors**.

**OX**<sup>®</sup>  
UNLEASH THE POWER

**Shock Proof End Caps**

Polypropylene and TPR end caps with air cushioned PVC shock absorbers, for ultimate impact cushioning.

**Magnified Vial**

The horizontal acrylic vial is magnified for better readability.

**Two Plumb Site Dual View Vials**

With the unique front view of the vertical vial – for more precise levelling, and an end to neck and eye strain.

**Air-Cushioned Grip Handles**

Silicon shock absorber handle with soft touch feel and patented grip handles that won't slip when held against a wall with just one hand.

**Computer Optimized Profile**

High quality aluminium extrusion: 66mm (w) x 30mm (d) with a wall thickness of at least 2.1mm on milled surfaces.

**Two Milled Surfaces**

Guarantee a controlled and definable flatness the entire length of the level for increased accuracy.

**Life time warranty on all vials**

which are individually calibrated to an accuracy of 0.0005"/' (0.5mm/m) or 0.029°
